

SAINT SOPHIA GREEK ORTHODOX CATHEDRAL
LOS ANGELES, CALIFORNIA

NORTH TRANSEPT AND PULPIT. The overpowering Trilogy of the Crucifixion is seen here to fullest advantage. Also visible are the handsome cast-stone pulpit and the bronze baptismal font. The lavish use of domestic and imported marbles and onyx, blended with the crystal of the many chandeliers and the gold leaf of the staff-work, make this one of the most richly ornamented Churches in the country. It was completed in 1952 at a cost of two million dollars.
